BOOK OF THE WEEK

NOT For Tourists is a range of guide books aimed squarely at a city's residents: 'Our philosophy is simple: People need to use the cities they live in, commute into, or travel to effectively.'

Until now these books have been restricted to the US where they cover the major cities in an engaging and extremely helpful fashion (have a look at their excellent website www.notfortourists.com to get an idea of their style and range). Now the series has crossed the Atlantic with a guide to London (Not For Tourists, £9.99). Described as 'an urban survival kit and handbook for natives' rather than a guide book, it is actually a most useful book for visitors, full of imaginative advice on shops, sights and restaurants – and jampacked with invaluable maps.

To order your copy at £9.99 with free p&p, call 0845 606 4207.
